### ANNUAL LEASE: AFFORDABLE AND PROFITABLE

Low cost monthly lease designed for any size clinic. Annual lease includes complete Parasight System, push-button fecal egg count system for horses, and a first year bonus of 25 equine FEC test kit supplies each month for the first year (300 per year). Additional supplies may be purchased separately, discounts are provided based on volume. Sample prep tools are available for goat/sheep/cattle as separate add-ons.

DISCLAIMER: \*Pricing and availability subject to restrictions. Certain state laws, import laws, shipping requirements, and/or other limitations may apply in your area and require additional fees for shipping, handling, or maintenance.

#### REVENUE GENERATOR

Stop wasting money sending out samples to reference labs. Improve your bottom line and staff job satisfaction with Parasight System push-button fecal analyzer.

#### CUSTOMER AND TECHNICAL SUPPORT

Monthly lease provides telephone and live video customer and technical support and warranty coverage.

#### SECURE CLOUD SERVER

Fecal Egg Count results are stored in a secure AWS cloud server accessible by your clinic on-demand.
